New in Town Bahrain's Latest Venue Drop A Dress Siz In An Instant New Year, New Motor 2012 Hot Car Launches Win, Win **Ultimate Makeover** air of Diamond Watches /IP Tickets to Bushido **Featuring Akcent**

Ok so you assumed that Bahrain was partied out after the New Year? Well think again as Bushido does not understand the words 'having an early night"!

hursday 26th January promises to kick start your New Year with a club night never seen in Bahrain before. As Akcent, whose single "Kylie" has risen to the top of the European music charts and became one of the hottest dance singles last year, comes to town along with DJ Kaan Gokman who has become such a big favorite with Bahrain's clubbers that Bushido are flying him over for the third time.

The group **Akcent** was started by Adrian Claudiu Sînã in 1999. Their debut Romanian album În culori was released in Romania on 10th January 2002, and included the single "Ti-am promis". Akcent's English debut album French Kiss with Kylie was released in Europe on 23rd August 2006, and included their 2 European hit singles: "Kylie" and "Jokero". Their song "French Kiss" (the English version of "9 mai") is a cover of "Extemporal la dirigenţie" by Stela Enache. The single "Kylie" charted on several European music charts and became a hit

in the US. 2010 is the year when the band release LOVESTONED and MY PASSION which is the latest single. Website: http://www.akcentonline.com/Facebook: http://www.facebook.com/Akcent Music

DJ Kaan Gökman is from Turkey and has his own radio show on one of Turkey's most popular radio stations. He started to remix his own songs which eventually gave him a loyal fan base. He is a well known DJ and does live performances throughout Europe, with his acclaimed expertise in tribal and ethno styles in house music. He has arranged

and remixed so many singles in the market that we don't have space to include them all but we're sure you will know them when you hear them. The multi-talented artist has also been involved in a wide variety of projects, producing numerous hits including collaborations with the internationally acclaimed dance project "Club Harem" which has enjoyed phenomenal success in some 55 different countries.
