Bushido Lounge tuning up for anniversary gig

A MAJOR party to celebrate Bushido's third anniversary will take place this week with three spectacular DJs taking to the decks.

DJ Ravin, DJ Carlos Campos and DJ Dara Singh will entertain the crowds tomorrow night.

Bushido Lounge's anniversary fell in April, but due to the busy Gulf Air Bahrain Grand Prix weekend, it was postponed.

Meanwhile, the lounge also hosts Geisha Fever every Thursday, from 10pm to 1am, offering free selected drinks for women and 50 per cent discount on a selected menu, with no minimum spending needed to book a table. Every last Friday of the month is Pink Friday, from 9pm to 1am, offering free selected drinks for women and a raffle to win a high-end fashion item, with a minimum value of BD300.

The anniversary event

■ DJ Carlos Campos

will feature the DJ of sister properties of Bushido, who had performed in Bahrain at Bushido, DJ Ravin of Buddha-Bar Paris and Carlos Campos of Barrio Latino, Paris, for a mix of world and Latino vibes.

Vocalist Simonne Cooper will be the MC and singer for the night.

Part of the FTV series in September and December 2011, The Secret Garden Show will make its return to Bahrain for glamorous dances and costumes.

For Ravin, life is music and worldwide search to seek out melodies.

Since the opening of the Buddha-bar in Paris in 1997, he has blended a new genre in lounge music.

Carlos Campos is the resident DJ of the famous Latino Club Barrio Latino in Paris.

He is also a talented music producer and worked with Claude Challe or Ravin from Buddha-Bar Paris, producing many tracks for compilations as

Buddha Bar, nirvana lounge and released the Barrio Latino compilations series.

DJ Dara Singh is the resident DJ of Bushido. Tickets for the event are available for pre-sale until 2am, Thursday morning. Pre-sale prices are BD10 for regular and BD20 for VIP tickets.

On the day of the event, tickets will cost BD15 for regular and BD45 for VIP.
